

[Stay safe and play fair]

We, BSSCOMPANY, are putting the top priority on providing a safe and fair game environment for Tank Royale's services. Abusive behavior is not tolerated to ensure a safe and fair gameplay environment. Accounts that are identified as having committed unhealthy acts below are subject to in-game formulations such as game items/coin recovery, game use dates/permanent suspension, and can be subject to legal penalties if there is a legal violation.

- **Illegal use** Acquisition of information or acquisition of others for the purpose of defrauding another person's account without the consent of others
- **Cash transaction** The act of arranging transactions, transaction attempts, or transactions with accounts in cash or in kind
- **Bug and system abuse** A deliberate use of the vulnerability (bugs, system errors, etc.) of Tank Royale
- **Use illegal programs** Use of programs, equipment and devices designed to modify, damage, and forge normal operation of Tank Royale, copyright infringement or related data
- **Imposture** Deceiving the names and identities of others such as employees, managers, and developers of BSS COMPANY
- **Fraud** The act of misleading or deceiving a third party with false information, or the act of harming it
- **Abusing** By using the game repeatedly, periodically or non-periodically through an unintended method, it is an act of acquiring large amounts of experience, completeness, items, coins, etc.
- **Use inappropriate expressions** Antisocial expressions such as excessive profanity, intimidation, obscene/sexual expression, and racism
- **Illegal advertising promotion** Posting or registering articles, photos, etc. in chatting and community for the benefit of an individual or a specific group
- **Spamming** To repeatedly post or register articles, photos, etc. in order to express their opinions, to express their complaints, or to reveal their interest in chatting and community
- **Interrupting the play of the game** Interference or obstruction of the use of normal "Tank Royale" to harm third parties
- **Infringement of privacy** The act of demanding, exposing, or exploiting personal

information of a third party

Please, report violator through the link below, if there are someone who violates Tank Royale's safe and fair play policy.

support_tank@bsscamp.com

We always hope users could play Tank Royale pleasantly and happily.

Thank you.
